# HOW WE PARTNER WITH SCHOOLS

---

---

---

---

---

---

---

---

## BUILDING RELATIONSHIPS & PROVIDING RESOURCES

**TIME:** We schedule a minimum of 3 visits per schools, per semester. Alongside the teacher, we plan out what we will be doing each visit (serving on advisory boards, hands on coaching, lecture, judge, etc.).

**RELATIONSHIPS:** We do our best to establish great relationships with teachers. Not only from my seat, but from our team that will often time be on campus as well.

**FINANCIAL:** Specific trade tools & material, PPE, Bus Stipends, etc.
